Monro, Inc., its subsidiaries and family of brands (together, “Monro,” “we,” “us” or “our”) understands that when you interact with us, including through our website, you may entrust us with your personal information. In this Policy, we explain our policies and procedures for data collection, use, maintenance, protection, and disclosure when you visit our websites, including the websites of any of the Monro brands, or apps (the “Site”). This policy also governs and provides you with information concerning the personal information we collect from and concerning you when you interact with Monro other than through our Site, for example at any of the store locations in our family of brands.

Monro respects your privacy. Any Personal Information, as defined below, concerning you that Monro collects will be processed in accordance with this Policy. We will update this Policy when we change how we process your Personal Information. Before these changes go into effect, we will post the updated Policy, along with an effective date for the new Policy. Once we alter the Policy, continued use of the Site, or continued interaction with Monro other than through the Site, will be governed by the updated Policy.

For purposes of this Policy, “Personal Information” means information that can be used to reasonably identify you or your household. A more detailed list of the categories of Personal Information we collect concerning you is contained in the chart below, under the heading: Categories of Personal Information Collected and Disclosed. For purposes of this Policy, a “third party” is any non-affiliated company that is not a service provider, with whom Monro may share some of your Personal Information.
